Capcom Co., Ltd. opens up new store “Plaza Capcom Shitoro” in AEON Hamamatsu Shopping Center.

Capcom Co., Ltd. (Capcom) is pleased to announce to open up a new amusement facility “Plaza Capcom Shitoro” on August 6, 2004, which will be located at third floor of “AEON Hamamatsu Shopping Center” in Shizuoka, Japan.

As new store’s exploring concept, “Plaza Capcom Shitoro” is featured with a mega-city to make the audience feel enjoyed in the real downtown such as New York. At the same time, since Hamamatsu city is famous for musical instruments production, there is a brand new atmosphere that reminds us of “Broadway”.

There are drawings of nice artists, playing jazz by piano and saxophone, and musical theater. These visually exciting graphics and colors offer audience more realistic images and feelings of New York, which differentiate from other stores.

As always done in our arcades, most popular and up-dated equipment are arranged to help customers enjoy all the time at the largest store in the region, and audience attractions will be demonstrated at the store from time to time.
