Capcom Co., Ltd. (Capcom) is pleased to announce the grand opening of “Plaza Capcom Nogata” in the Chikuho Region, on April 8, 2005. The store is located on the second floor of the “AEON Nogata Shopping Center”.

Capcom, always trying to provide our customers with new and exciting venues of entertainment, has brought a little taste of New York into “Plaza Capcom Nogata.” Customers will get to experience a real touch of “Broadway” as they enjoy the atmosphere created within the store.

Customers will also be able to enjoy our special décor throughout the store, such as character drawings, visually stunning displays and our specialized “Yellow Cab” circular counter sure to make you feel like you are visiting New York.
