Capcom's new title makes its way to Microsoft's Xbox360!

Capcom Co., Ltd. is pleased to announce the upcoming release of "DEAD RISING (tentative name)" for Microsoft's Xbox360.

"DEAD RISING (tentative name)" is survival horror game. The hero of the story is Frank West, a grizzled freelance photographer who has made his way to an idyllic suburban town to get his hands on the scoop.

To his surprise, he soon discovers that the town has been overrun with zombies. As he fights tooth and nail against hordes of gruesome zombies, Frank must discover the cause of the disturbing outbreak.

Full of mystery and thrills, this title is sure to please.

As a worldwide leader in gaming industry, we here at Capcom are proud to be on the forefront of this new cutting-edge technology. As always, we will continue to strive to provide our customers with the best possible forms of innovative entertainment on this new and exciting device.
