**Capcom to Launch “Dead Rising 3”, the Publisher’s First Title for
Microsoft’s Xbox One®
New-generation Games and Entertainment System**

- The latest addition in the global hit game series to debut the same day as Xbox One -

Capcom Co., Ltd. (Capcom) is pleased to announce that the company’s first title, “Dead Rising 3”, for the new-generation video game system Xbox One®, the all-in-one games and entertainment system from Microsoft, will be released in November 2013 in North America and Europe, simultaneously with the platform launch.

“Dead Rising 3” will take full advantage of the unique capabilities of Xbox One by generating stunning visuals and innovative online elements utilizing new Xbox Live® functionality. In addition, the title will deliver a more immersive experience thanks to enhanced Kinect™ motion control technology and Xbox SmartGlass™ that links other devices to the console. Capcom developers are continuing to work on this new-generation title with the goal of taking the gameplay experience to an entirely new level.

Since the release of the first title in August 2006, the “Dead Rising” series has continued to challenge players to find the truth behind zombie outbreaks while battling hordes of the undead in new and exhilarating ways, with the darkly humorous setting and action attracting fans across the globe. As of March 31, 2013, cumulative shipments of the series totaled more than 5.4 million* units.

As always, Capcom aims to use its exemplary development power to create games overflowing with originality to satisfy the expectations of our users.
