

Press Release

Capcom Co., Ltd.

***Monster Hunter Rise* for PC to Launch January 2022!**  
- Capcom aims to expand global user base through promoting digital strategy -

Capcom Co., Ltd. (Capcom) today announced that *Monster Hunter Rise* for PC (Steam) will be released on January 13, 2022.

*Monster Hunter Rise* is Capcom’s hugely popular title that has shipped more than 7.5 million units worldwide (as of September 24, 2021). The upcoming PC release on the Steam platform allows fans from all over the globe to join in the hunt, providing an approachable experience that is also highly immersive, with high-resolution 4K visuals and ultra-wide display support as well as voice chat functionality. Additionally, Capcom looks to encourage new purchases of *Monster Hunter Rise* for Nintendo Switch by offering that digital download version at a new price.

Capcom will continue to pursue its fundamental multi-platform strategy to provide games that fully satisfy the needs of a wide breadth of game players worldwide.
