

***Monster Hunter Rise: Sunbreak* Surpasses 4 Million Units Sold Worldwide!**

- Ongoing pricing strategies drive *Monster Hunter Rise* to over 11 million units sold -

Capcom Co., Ltd. (Capcom) today announced that *Monster Hunter Rise: Sunbreak* (*Sunbreak*, below), the massive premium expansion for *Monster Hunter Rise* (*Rise*, below) for Nintendo Switch and PC (Steam), has sold 4 million units worldwide.

Sunbreak is a massive premium expansion for *Rise*. Lauded for its new locales, monsters and never-before-experienced hunting actions, the game generated interest and enthusiasm amongst players via a free title update in August, which helped drive sales to over 4 million units. Capcom looks to further grow sales over the long term with ongoing free title updates in the future.

Moreover, *Rise* (released in March 2021) also surpassed 11 million units sold worldwide driven by the release of a bundled set with *Sunbreak* and ongoing pricing strategies.

Capcom remains firmly committed to satisfying the expectations of all stakeholders by leveraging its industry-leading game development capabilities.
