Street Fighter 6 to Launch on June 2, 2023!

- Taking the fight to the next level, Capcom aims to lead the fighting game and esports scenes with the release of its latest title in the storied *Street Fighter* series -

Capcom Co., Ltd. (Capcom) today announced that *Street Fighter 6*, the latest title in the storied *Street Fighter* series, is scheduled for release on June 2, 2023.

The first title in the *Street Fighter* series was released as an arcade game in 1987, followed by the global smash hit *Street Fighter II* in 1991 which generated mass excitement due to its innovative battle system. Even today, more than 35 years since *Street Fighter* first debuted, the series still enjoys immense popularity across the globe with cumulative shipments for the series totaling over 49 million units worldwide*. Further, in recent years the series has increased its presence as a driving force in the fighting game genre of esports.

Street Fighter 6 will be the newest title in the series and the sequel to *Street Fighter V*, which has shipped a cumulative 6.8 million units*. Developed to take the series to the next level, *Street Fighter 6* delivers the pinnacle of fighting game experiences. The game includes new features such as Battle Hub where players can interact with one another as well as World Tour mode, in which players create an avatar and journey through the universe of *Street Fighter*. Further, by providing different controller options tailored to appeal to a breadth of player abilities, as well as including elements such as the Real Time Commentary Feature, which immerses players in the over-the-top excitement of esports, Capcom is leveraging its cutting-edge development capabilities to create an engaging experience that will appeal to a broad range of players, including everyone from fighting game newcomers to seasoned veterans and longtime fans of the series.

Capcom remains firmly committed to satisfying the expectations of all players by leveraging its industry-leading game development capabilities in order to create highly entertaining gameplay experiences.

*as of September 30, 2022
