***Resident Evil Veronica to Launch in 2027!***

- Capcom aims to further enhance the IP's value by remaking a popular title of the series -

Capcom Co., Ltd. (Capcom) today announced that *Resident Evil Veronica*, the latest title in the *Resident Evil* series, is scheduled for release in 2027.

The *Resident Evil* franchise features survival horror games in which players utilize a variety of weapons and other items to survive terrifying situations. Supported by a passionate global fanbase, cumulative game sales since the first title in this flagship series debuted in 1996 exceed 201 million\* units.

*Resident Evil Veronica* is a remake of the original *Resident Evil Code: Veronica*, released in the year 2000. While preserving the appeal of the original, Capcom is developing the 2027 release as the latest installment of the *Resident Evil* series, with a reimagined story and high-quality graphics made possible by the company's proprietary RE ENGINE. The company is steadily developing the game to satisfy both fans of the series and newcomers alike. The release date, along with further details, will be announced at a later date.

Capcom remains firmly committed to satisfying the expectations of all users by leveraging its industry leading game development capabilities in order to create highly entertaining gameplay experiences.

\* As of March 31, 2026
