Monster Hunter Outlanders Launches on Mobile on October 29, 2026!

- Capcom aims to expand its user base by leveraging its flagship IP on mobile devices -

Capcom Co., Ltd. (Capcom) today announced that *Monster Hunter Outlanders*, the latest mobile title in the *Monster Hunter* series, will be released for iOS and Android on October 29, 2026.

Monster Hunter Outlanders is the latest mobile title in the *Monster Hunter* series and is developed by TiMi Studio Group, a subsidiary of Tencent Games. Players can take on a wide variety of challenges, including hunting monsters and exploring the field alongside companions gathered from different regions. Controls optimized for mobile devices also provide an accessible yet highly flexible hunting experience.

Capcom will continue to leverage its portfolio of leading game brands as it seeks to broaden recognition of its IPs and maximize the value of its content in the growing global mobile games market.
